SHAPING EUROPE'S DIGITAL FUTURE

Sandro D'Elia
European Commission
DG CNECT

**US: 334
million**

**EU: 447
million**

>4000 million people

*Sustainability
Digitalisation
Hyperflexibility /
manufacturing as a service
"Human" AI in the factory*

**Are these opportunities?
What about strategic autonomy?**

**There are more people living inside
this circle than outside of it.**

**https://en.wikipedia.org/wiki/Valeriepieris_circle
Less than 7% of world total surface area**
