NCP4Industry Plus

Services

NCP4Industry Plus

Core value for the industry community

Build Capacity

For Industry NCPs we provide trainings, webinars, peer learning, twinning and staff exhanges

Connect

Across the R&I community we co-organize brokerage events, matchmaking and opportunities to build European consortia

Strengthen Proposals

For applicants & newcomers we provide training for proposers, practical resources and Full Proposal Checks

Create Synergies

Across the European ecosystem we have **joint activities** with partnerships, EEN, EIT, EIC and other NCP networks

Impacts

Improved support to CL4 Industry applicants
by enhancing the competencies and skills of CL4 Industry NCPs

Informed and enabled CL4 applicants

Lowered entry barriers
for newcomers and participants from widening countries

Increased quality and inclusiveness
of CL4 Industry consortia

A more collaborative, mainstreamed and visible
CL4 NCPs community, with specific reference to Industry's one

Mutual collaboration
among NCP extended Network and EC

Current services for stakeholders
